

CLASSIC COLLECTION

Month-Of Wedding Coordination

Investment: \$2,000

A refined coordination experience designed for couples who have planned their wedding and desire professional oversight, organization, and calm leadership during the final month leading into the celebration.

Scope & Planning Timeline

- Services begin approximately 30 days prior to the wedding date
- Comprehensive review of vendor contracts and obligations
- Development and refinement of the master wedding day timeline
- Confirmation of vendor logistics, arrival times, and responsibilities
- Final venue walkthrough and coordination of ceremony rehearsal

Design & Floor Plan Leadership

- Review and confirmation of ceremony and reception floor plans
- Oversight of décor, rentals, and layout placement per approved design
- Coordination with florals, rental companies, and venue staff
- Ensuring visual balance, spacing, and guest flow throughout the event

Wedding Day Oversight

- Lead coordination of ceremony, cocktail hour, and reception
- Primary point of contact for all vendors and venue staff
- Execution of the wedding day timeline from setup through breakdown
- Cueing entrances, transitions, and all key moments

Best For: *Couples who have completed the planning process and want professional month-of management.*
